

Look Good Feel Better was close to Doug Bain's heart, thus in his honour LGFB highlighted that mens' workshops are also offered countrywide. Charmaine van Schalkwyk gave a heart warming, insightful account of the LGFB programme, whilst Craig Macleod the MC was masterful in his approach to ensuring a great evening for all. Frikkie de Jager hit a Hole In One at the 8th on Firethorn, missing the sponsored Hole In One R100 000.00 cheque at 17th.

With gratitude we thank the players, volunteers, members, sponsors, Randpark friends and staff who contributed towards making this another successful, fun golf day. Together we raised R180 000 for Look Good Feel Better.

Diarise 27 October 2015 at Zimbali for another great LGFB Golf Day!
