

**LGFB
International
Executive
Directors'
Working
Session**

25 – 27 March
2015

Thank you Environ for generously sponsoring the meetings attended by EDs from Australia, Brazil, Canada, Spain, Columbia, US, France, UK, Germany, Italy, Netherlands, New Zealand, Norway, SA.

Cullinan Hotel, Cape Town did us proud.

Laura Nel (Johnson & Johnson) and Mark Hobbs (Yardley) contributed greatly to the discussion 'working with Members'.

We worked hard, played hard, left inspired to take LGFB to new heights globally, reaching more patients.

Thank you to :
CABS Car Hire
who offered
daily transport
for the group,
and RAM for
couriering
many boxes.
